

“
Like mother,
like daughter.”

Obesity was robbing Kristy Gamble of life and health.

When she decided to check out bariatric surgery at St. Mary's, her mother, Sylvia McDonald followed suit.

ST. MARY'S BARIATRIC SURGERY and weight loss team provided them with a supportive environment to enhance success. Today, they are losing pounds and feeling better. They even play tennis together.

Call 706.389.3892. For more information and to read Kristy and Sylvia's story visit www.stmarysathens.org
