STROKE

GOLD PLUS

American Heart Association | American Stroke Association

The American Heart Association and American Stroke Association recognize this hospital for achieving 85% or higher adherence to all Get With The Guidelines[®] Stroke Performance Achievement indicators for consecutive 12 month intervals and 75% or higher compliance with 6 of 10 Get With The Guidelines Stroke Quality Measures to improve quality of patient care and outcomes.

Stroke: When minutes matter, trust St. Mary's

Recovery

Athens' only inpatient rehab facility, plus outpatient rehab and home health care.

Neurohospitalists

C. Van Morris, M.D., neurologist, and H. McCord Smith, M.D., certified vascular neurologist, devote 100% of their skill and experience to neuroscience patients at St. Mary's.

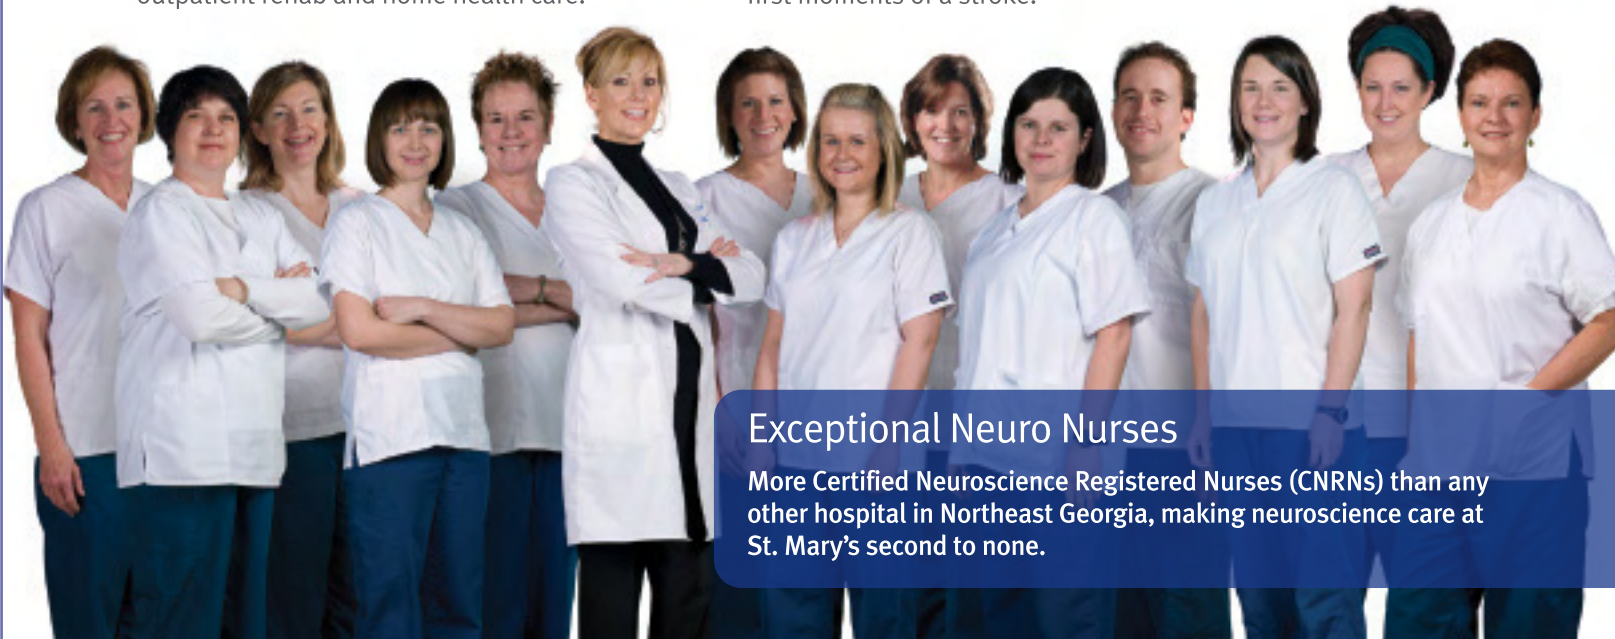

REACH program with MCG

Real-time consultations with Medical College of Georgia stroke experts.

Emergency care

State-of-the-art care from the first moments of a stroke.

Exceptional Neuro Nurses

More Certified Neuroscience Registered Nurses (CNRNs) than any other hospital in Northeast Georgia, making neuroscience care at St. Mary's second to none.

St. Mary's is the area's first Certified Primary Stroke Center

Official health care provider – UGA Athletic Association – since 1999
