

“  
I had stage  
3b cancer, but  
I was lucky.”

**Donna West thought she was too young to have breast cancer.**

St. Mary's helped her fight for her life. State-of-the-art capabilities helped her surgeon pinpoint diseased tissue. Caring staff helped her through the fear of a cancer diagnosis.

- Fast, quiet Breast MRI and MRI-guided breast biopsy
- Complete surgical capabilities, including reconstruction
- Certified breast health nurses
- Same day mammography at two convenient locations: 706.389.2700
