

with triplets on the way,  
why did the michaels  
choose st. mary's?

**They made a choice for exceptional care.** When Jill and Jackson learned they were going to have triplets, they knew they needed the best care possible. St. Mary's beautiful Family Birth Center, high-tech Neonatal Intensive Care Unit, and skilled, compassionate staff helped Isabella, Jack and Gabriel get off to a great start. See a video of their story at [www.stmarysathens.org](http://www.stmarysathens.org). 706.389.3389
